How to Navigate - around this document.

The navigational links in this family history and will 'work' on a smart phone but something with a much larger screen is highly recommended.

It is not recommended that you try to read this huge document from front to back like a book. Rather use the links to dip into any section or individual that interests you. Very basically, there are three sections; first a whole lot of historical odds and ends. Second, the main family tree and finally, a long section with a 'personal page' for each individual in the tree. These 'personal pages' contain whatever information I have been able to collect about a particular person. It is probably a good idea to start by navigating to your own 'personal page' or to that of your mother or father – just to get the hang of it. Here's how to do it:

- **IMPORTANT:** If you are interested in a **particular individual** it might take you a long time to page through the "Family Tree" looking for them. It is probably best to **first** look for the person in the alphabetical list of **"Individual Names"** (click #7 on the Contents page). Clicking on any name in the list of "Individual Names" will take you directly to the exact position of that person in the "**Family Tree**". Then, clicking on any name in the "Family Tree" will take to a "**Personal Page**" of information about that particular person. *Thus you can easily access any person's details with just three clicks.*
- At the top of every 'Personal Page' you will see the link, "Back to Family Tree". Clicking this will take you back to the exact position of that person in the Family Tree.
- **THE FAMILY TREE:** The generations are tabulated in vertical columns. The first column contains David LITTLE's eight children (the second generation). The second column contains all his grandchildren (third generation), and so on. Thus, for any specific individual, their siblings will be in the same column as them, their forebears will be in the columns to the left and their assorted offspring in the columns to the right.

That's all you really need to know but here are a few useful tips:

- If you "get lost" at any stage, just click **CTRL + HOME** to go back to the **Contents Page** and then start again.
- If you click on a link but decide that you want to **go back to where you came from** then simply click **ALT + Left Arrow**. Each time you do this, you go back one more step. Conversely, **ALT + Right Arrow** takes you forward one step.

- **Btw** any comments in [square brackets] have been inserted by me (GDP) into text written by somebody else.

Back to the Contents Page – **but rather get used to using: ALT + LEFT ARROW**

Introductory Comments and Acknowledgements.

I am a total hack at genealogy. However, there are apparently there are several ways to tackle a family history. You can adopt a purely narrative approach. You can record your parents, then each of their parents and so forth - a so-called "pedigree". You can follow the male line of your family back in time. You can select a particular ancestor and then follow the descendants forward in time, etc, etc. In this document I have elected to try and trace the descendants of the first LITTLE couple to arrive in South Africa from England. These were David LITTLE (1828-1903) and his wife, Elizabeth TUNNICLIFFE (1834-1888).

I owe my interest in this project to my parents, **Douglas** and **Noelle PECKHAM**, who instilled a sense of family values in us as children. There must have been many years when they thought that this seed had fallen on stony ground but it is a tribute to them that it has finally flourished.

I also thank the great number of individuals who have endured my persistent harassment by telephone, letter, e-mail and visits and who have nevertheless made their records, photographs and memories available to me. Many people have gone out of their way to help me – each and every contribution is greatly appreciated, in particular, the very substantial amount of information and guidance generously provided by Richard (Rick) WALKER.

My computer skills and knowledge of genealogical methods are minimal so I apologise for the extremely basic format of these pages but hope that you will, nevertheless, find them interesting and / or useful.

I started this project in 2003 and worked on it for a couple of years. Following that, there was an hiatus until 2022 when I started doing more work on the tree. In the interim I very occasionally entered odds and ends of information which came to my attention by chance.

PLEASE NOTE: Square Brackets: In contributions, other than my own, I have taken the liberty of inserting explanatory names and comments here and there. These insertions have been placed in [square brackets] so that they may be distinguished from the original text.

The Little Coat of Arms

In case this sort of thing interests you, here are various "Coats of Arms" that I have located on the Internet. It seems that you can "pay your money and take your choice". Same story with the family motto which is given variously as:

Concedo Nulli – I yield to none.
Magnum in Parvo – Great things in a little.
Fidei Coticula Crux – The cross is the test of truth.

Take your pick!

History of the Little Family

Origins of Name:

The Little surname is one of the oldest surnames from England. It dates as far back as ancient times when it was a personal name of affection. The meaning of the surname was “Little man”. In medieval times it retained this name of affection. However, quite the contrary it meant the opposite of little. The famous outlaw Robin Hood tale contained someone nicknamed “Little John”, he was not small in stature at all. He was called little because in fact he was a giant man. His long bow was reported to be seven feet in length. It was kept for many years at the infamous Bolton Arms, at Bolton Abbey, in Wharfedale, Yorkshire.

The name was also used to describe the younger of two containing the same surname. In modern times this would be similar to using the name “junior” to describe someone who was the son of someone who had the same name.

The Irish version of the name in Gaelic is O Beagain, meaning ‘descendant of Beagan’.

The French would have their own variation of the name also. Petit and Lepetit or “the little one” were French versions of the surname. Jean Petit would translate to “little John”.

Variations:

More common variations are:

Lyttle, Littell, Lytle, Lytell, Littley, Littlle, Llittle, Littile, Liettle, Liittle, Littlee, Littleh, Littlie, Wlittle

History:

England:

The first known recorded spelling of the family name was in 972 for Eadric Little in the register of Old English Bynames. This was recorded in the county of Northamptonshire.

In 1202 Richard de Lidel was recorded in Roxburghshire where he held grant of lands from the Church of Largs.

The Little clan was spread among the banks of the River Esk and part of Ewarsdale. Neighbors of the Little clan were Elliots, Beatties, and Armstrongs.

An early example of this surname was Thomas Lytle in 1296 in Sussex in the Subsidy Tax roll.

In 1376, Adam Lityll was a tenant of the Douglas Clan in the barony of Kilbucho. Eventually a branch of the Little clan would move north to Aberdeen. However, the main clan would stay near to Roxburghshire. By 1350 the Little clan had become well established and closely affiliated to the Douglas clan. The territories would go as far north as the Scottish West Mares, over 20 miles north of Carlisle.

John Little and his wife Jane Little would emigrate to the New World English colonies. In 1678 they were recorded in the parish of Christchurch, Barbadoes.

Scotland:

The origin of the Little name in Scotland can be found along the Scottish borders when the English clan moved north. Little was originally written as “parvus” in Latin documents, also translated to little or small. Since the name is a descriptive one, there is no clear origin of the Little name in Scotland.

By the year 1300, the Little clan had made a home in Dumbriesshire. Nicol Little was recorded as a conservator of the peace along the Scottish-English border.

Simon Lytil was given tenure of quite a few lands. Meikledale, Sorbie and Kirtoun in Ewesdale by the Duke of Albany, Robert Stewart. By 1426 the grant was officially confirmed. Simon Little, the 1st Laird of Meikledale is widely considered to be the first chief of the clan Little.

Clan Little famously fought alongside William Wallace to push the English out of Scotland and eventually gain its independence. The name in Scotland was also associated with a “little clan”. The main source of income for the Little clan in Scotland was stealing horses from the English on the other side of the border.

In the 16th century, the Armstrong clan rose to power, and they were famously reported as being able to gather over three thousand horsemen. Of which included the Little clan.

By the 18th century, David Little was the last in the line to be Laird of Meikledale. The lairdship would pass to Thomas Beattie following the pacification of the border, and David was given work as a groom at Windsor Castle.

OR

Although the most natural origin to attribute this name to is of the original bearer's diminutive size, and many genealogists make this error, the name is actually derived from the manor of Liddel, in Cumberland England.

Early Origins of the Little family

The surname Little was first found in Roxburghshire, where Richard de Lidel had a grant of lands from the Church of Largs in 1202. The Little Clan territory followed the banks of the River Esk and part of Ewarsdale, and their immediate neighbors were the Armstrongs, Elliots and Beatties. Adam Lityll was a tenant of the Douglas Clan in the barony of Kilbucho in 1376. A branch also moved further northward to Aberdeen, but the main branch of the Clan remained around Roxburghshire. By 1350, they had become an established Clan closely affiliated to the Douglases and their territories were located in the Scottish West Mares, approximately twenty miles due north of Carlisle.

Early History of the Little family

This web page shows only a small excerpt of our Little research. Another 162 words (12 lines of text) are included under the topic Early Little History in all our PDF Extended History products and printed products wherever possible.

Little Spelling Variations

Medieval Scottish names are rife with spelling variations. This is due to the fact that scribes in that era spelled according to the sound of words, rather than any set of rules. Little has been spelled Little, Littel, Littell and others.

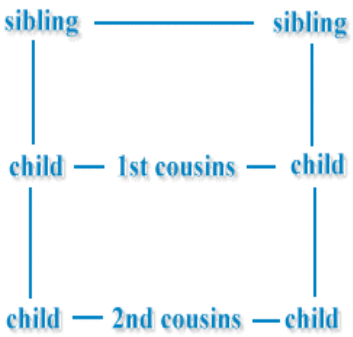
Family Relationships Explained (Consanguinity)

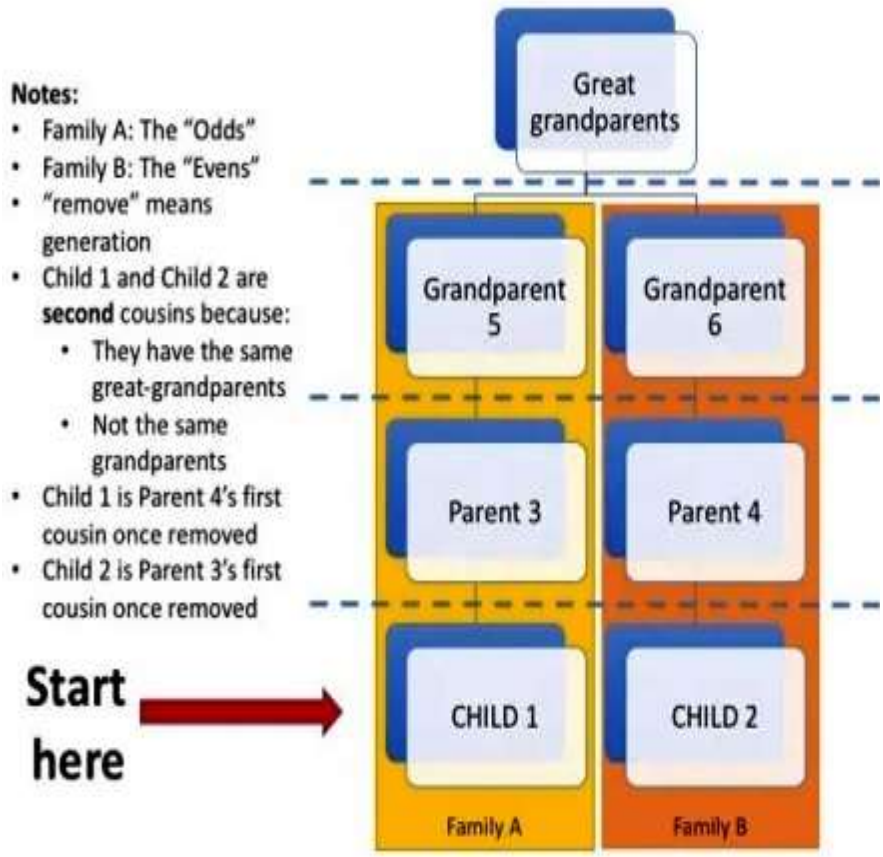
Cousins are people who share a common ancestor that is at least **2** generations away, such as a grandparent or great-grandparent. You and your siblings are not cousins because your parents are only **1** generation away from you. The **number** associated with your cousin has to do with how many generations away your common ancestor is. For example:

- **First cousins** share a **grandparent** *(2 generations away)*
- **Second cousins** share a **great-grandparent** *(3 generations away)*
- **Third cousins** share a **great-great-grandparent** *(4 generations away)*

Removed: You are "once removed" if you are separated by **1** generation and "twice removed" if you are separated by **2** generations, and so on. This means that your parent's first, second, and third cousins are also *your* first, second, and third cousins—but *once removed.* This is because your parents and their generation are 1 above yours. Likewise, your grandparents' first, second, and third cousins are also your first, second, and third cousins, this time *twice* removed. This pattern continues throughout each generation. So, for example, a first cousin once removed is either the child of your first cousin or the parent of your second cousin.

The **children** of your **first cousins** and your **children** are second **cousins** to each other. They are second **cousins** because they have the same great-grandparents. The child of your first cousin is not your second cousin, but rather *the same relationship that you have with your first cousin, plus one generational divide*, so your **first cousin, once removed.** See below:





Notes:
• Family A: The "Odds"
• Family B: The "Evens"
• "remove" means generation
• Child 1 and Child 2 are **second** cousins because:
• They have the same great-grandparents
• Not the same grandparents
• Child 1 is Parent 4's first cousin once removed
• Child 2 is Parent 3's first cousin once removed

Double Cousins: This is a **special category** of cousin (**not** shown in the following chart) where two siblings from one family each marry two siblings from another family. For example, your sister weds your husband's brother. Instead of sharing one set of grandparents, as first cousins do, double cousins share both sets of grandparents. As you might expect, double cousins have more DNA in common than typical first cousins—about 25 percent. There are several examples of this in the PECKHAM family tree.

The chart on the following page is one of the better ones available on the internet. Take a careful look at the legend – the colour coding clearly shows different categories of family relationships with all cousins (for example) being shown in brown.

Shared DNA: Also shown in the following chart is the % DNA that you share with your assorted relations. Interesting to note that some categories of the older generations share the same % of your DNA as some of the younger generations.

On a personal note: I must say that this seems like a silly system to me. For example you can be related to two people who are both your FIRST COUSIN TWICE REMOVED. One of them is two generations older than you, dead, buried and mouldering in the grave. The other is two generations

younger that you and just getting its botty smacked in the delivery room. Those two people are four generations apart from oneanother but still, by this system, have the same relationship to you.

Anyway, this is a widely used terminology so, if you have read this far, then I presume you are interested enough to following table.

How You Can Help

I would be grateful if you could help me to improve the information available on the "LITTLE Family in South Africa" by supplying information on any family member - LITTLEs and **all** descendants of LITTLEs no matter what their gender or current name. Every single bit of information will be useful, even if you can only supply the name of a spouse or a photo of an elderly relative this will be very much appreciated. Photocopies, typed information, computer word processor files or hand written information will all be gratefully accepted. All original documentation or photos entrusted to me will be treated with the greatest respect and will be returned by registered post after they have been copied.

IMPORTANT: If you have only a limited amount of time or interest, **please** start with the details about the **oldest** people you can remember and then move on to the younger generations. It is the information about the older generations that is closest to being lost forever. No scrap of information is too trivial.

Ideally, the information that I am hoping to collect about each family member is listed below.

In return, I offer to send this collection of information to any interested party on request.

- **FULL NAME and name by which the person was commonly known**

  e.g. Mary Poppins MONTGOMERY (nee LITTLE) known as "Poppie"

- **BASIC INFORMATION**

  Born: Date and place. **Died**: Date and place. **Married**: Date and place.

  Spouse: Full name; birth date and place; death date and place; names of parents.

  Children: Listed in birth order. For each child: full name and birth date - no other details necessary as these should be listed on the child's own page.

  Basic Physical Description: e.g. Poppie was a short and 'ample' lady with lovely auburn hair, grey-blue eyes and a ready smile. This is **definitely optional** but can be particularly useful in the absence of any photos or in the case of old black and white photos in which you can't even be sure of a person's hair colour let alone their eyes or stature.

- **A BRIEF LIFE HISTORY -** Just the key points - e.g:

  Poppie grew up in Howick and attended Howick Primary School. She matriculated from Carter High School in Pietermaritzburg in 1965 and graduated from Natal University (PMBurg) with a B Com in 1968. She worked as a bookkeeper for XXX from (year) to (year) and for ZZZ from (year) to (year). She swam five consecutive Midmar Miles between 1976 and 1980, was a keen piano player and reached grade 8 with the Royal School of Music. She loved animals, especially cats and was an excellent cook and seamstress. She married late in life and the couple had no children

- **PHOTOS**

  Preferably at least one portrait type photo with age or approximate age indicated, but not more than half a dozen or so in total if you really think the extra photos are necessary - maybe photos as a child, a young adult and a mature adult, or one with their family. Scanned pictures in .JPG format are ideal, but if you send me original prints, I can scan them myself and then return them to you by registered post if necessary.

- **ANECDOTAL MATERIAL**

  The points above form the basic 'core' material but it would be great if you can find the time and enthusiasm to contribute any interesting stories, habits, nicknames - in fact **anything** that you might

like to have remembered about the various people. If you wish to contribute to this section you have an absolutely free hand to send anything you like no matter how long or short. Please don't worry about poor handwriting, bad spelling or sending a disorganised 'hotch-potch' of snippets. These can all be improved later if necessary but if they are not written down and recorded they will be lost forever**. Cardinal Henry Newman once said, "If a man waited until he could do something so well that nobody could find fault with his efforts, then nobody would do anything at all."**

- **SAMPLES**

  Click on the following links to see some examples of some "Individual Pages" that are starting to take shape. Dorothy Smithson BELL ; Wilfred Thomas LITTLE

THANK (IN ADVANCE) YOU FOR YOUR CONTRIBUTION - IT IS VERY MUCH APPRECIATED.

Parents: Archibald Walter BARDWELL, b Apr 1875, Ipswich, Suffolk, England, d 5 Nov 1964, Salisbury, Rhodesia and Winifred Grace HAYWOOD b Ipswich, Suffolk, England. d 1-9-1939 in Salisbury. They married on 13 July 1918 in Ipswich.

Born: 05 Aug 1922 in Salisbury, Rhodesia

Died:

Married: Elsie Eccleshall BISHTON on 28 Apr 1945 and presumably in Salisbury. She was about 22 and he was about 23.

Children:

Other Information: Eric was the third of three brothers – his elder brothers being Cecil Archibald BARDWELL, born 14 Feb 1920 and Sidney Foster BARDWELL, born 19 March 1921. Eric was 17 years old when his mother died.

On 02 Feb 1946 his Rhodesian voter registration gives his address as, Shandon Bells, Lanark Road, Avondale, Salisbury. This is probably the "27 Lanark Road" that his wife gave when she registered tow tears later. His occupation is given as a printer. His father was also a "Printer and Director of Companies" in Salisbury so it is reasonable to assume that Eric took over his father's printing business.

On 04 June 1952 he and his wife both registered to vote in Salisbury giving the address of 106 West Road, Avondale, Salisbury where they had been living for about a year. It says he was a printer aged 30 years.

On 23 Sep 1966 he and his wife both registered to vote in Salisbury again. Their address was still 106 West Road, Avondale, Salisbury but his occupation had changed from "printer" to "sales representative".

I have not attached copies of these registration documents because they are so similar to those of his wife and contain no new information other than that mentioned above.

His mother's death notice is attached because it contains so much relevant information.

BELL, Dorothy Smithson (GH36-JGD)

Last updated: 10 June 2021

(1) Taken about 1930 with her granddaughters Noelle Margaret LITTLE (on her lap) and Audrey BURTON standing on the right.

(2) Taken about 1930. L to R: Valerie LITTLE; Wilfred Thomas LITTLE; Granny Little (Dorothy Smithson BELL) holding her granddaughter Noelle Margaret LITTLE.

(3) Taken on 18 Aug 1950 with her great grandson, Gavin Douglas PECKHAM.

Parents: John Vause BELL (1833-1876) and Rachael ATKINSON

Born: 07 Nov 1870 at York, Natal - from Mum's birthday book.

Died: 18 Dec 1953 at the Osborne Nursing home in St Winifred's, which is located between Winkelspruit and Warner Beach on the Natal south coast. She was 83 years, 1 month. Cremated at Stellawood Cemetery, Durban. CoD was cardiac failure due to chronic valvular disease of the heart. Up to the time of her death, Dorothy was living in Winkelspruit on the Natal south coast.

Married: Thomas David LITTLE on 22 Aug 1894 at the East End Wesleyan Church, Boshof Street, Pietermaritzburg. He was 24 and his profession is stated as "compositor" (a person who arranges type for printing or keys text into a composing machine). She was 23, a spinster and both were resident in Pietermaritzburg at the time. Their marriage certificate is on her husband's page.

Children: (1) Wilfred Thomas LITTLE (2) Beulah Dorothy LITTLE (3) Valerie Elizabeth LITTLE

Other Information:

This is the person that Mum (NML) always spoke about as "Granny Little". According to Mum, her father, John Vause BELL, was apparently killed by a lion(*) whilst transport riding to the gold / diamond fields and is buried in Estcourt. Her sister Orphelia BELL married a chap by the name of Sowersbey MASON and they lived in a large house in Bulwer Street, Pietermaritzburg (at opposite the end from Retief Street) called 'The Manor' - hence the name of the suburb and the road in the area. MASON was in the early Natal Government. Another of Dorothy's sisters, Elizabeth Ann BELL, married a Samuel Olaf SAMUELSON and had five children: Sievert Vause; Raymond Olaf - who was a talented musician but also apparently very fond of his liquour; Regina Miranda Irene; Coral Banskia Meredith and Thelma Evelyn Hope.

A lady called Pat Fykberg says that, "John Vause Bell was killed in wagon accident in Estcourt. His wife, Rachel, married again to James Peckett."

The BELL Family Tree

This is a part of the BELL family tree as it currently (Feb 2023) appears on Family Search.

Top row – lived and died in England.

Middle row – all born in England and came to SA. William in 1850 on the Haidee and the other four on the Cataraqui in 1861.

Bottom row – the first two were born in England and must have travelled to SA on the Cataraqui with their parents in 1861. The last two (and also Dorothy Smithson Bell) were born in Natal after their parent's arrival in 1861.

Extensive investigation has turned up no documentary proof, but there is a great deal of circumstantial evidence pointing to the fact that **Dorothy Smithson BELL** is in fact the fifth and youngest child of John Vause BELL and Rachael ATKINSON. That being the case, she should appear as the fifth child on the far right of the bottom row.

Note that John BELL (1798-1881, a school teacher from Market Weighton between York and Hull) and Rachael VAUSE (1796-1878, of Sancton, a nearby village) were married in 1824. They were the parents of John Vause BELL who married Rachael ATKINSON, also in in Sancton. Thus we have a John & Rachael senior and John & Rachael junior.

John's Vause BELL's older brother, William, a blacksmith, arrived in Natal on the Haidee in 1850 with the original York settlers. Then, in 1861 William sponsored the immigration of his siblings, Ann Bell, Mary Vause Bell and John Vause Bell (as well as John's wife, Rachael, and their first two children) to York on the Cataraqui – the same voyage which brought the initial members of the Peckham family. Three more children were born to John and Rachael (junior) after they settled in York, Natal – including Dorothy. Some of the Bell family are buried in the York Cemetery, (ref Betsy Gelder's Diary) but nothing now remains of their graves.

Dorothy's death notice is on the following page.

Parents: George Henry BISHTON, a clerk, who in Vrede, OFS, married Danie [sic, possibly Dalnie] Martina Johanna BESTER, born in Ladysmith, Natal about 05.1868, d 27.01.1919 in Addington Hospital, Durban aged 50 y, 8 m. Vivian was the third of their four children, the first it appears, died very young. (George Henry B; William B; Vivian Eccleshall B; Elsie Florence B, b 15.7.1907)

Born: 04 Jan 1896 Vrede, Orange Free State, SA and baptised 01 Mar 1896

Died: 31 Dec 1946 at the Sanatorium in Durban aged 50 years, 11 months and buried at the Stellawood cemetery in Durban. He died from post-operative shock after a brain operation. See the second death notice for details.

Married: Isabel Constance LITTLE on 03 June 1922 at Standerton in the Transvaal, SA. He was 26 and she was 22. Their marriage certificate is on his wife's page. They divorced and she went on to marry twice more. As far as I can tell, he did not marry again.

Children: (1) Elsie Eccleshall BISHTON (2) Vyvyan Eccleshall BISHTON (3) Infant born 16 June 1928

Other Information: He was a solicitor, a divorcee and resident in Salisbury, Southern Rhodesia, now Zimbabwe, until the time of his death – 'though he travelled to Durban for a brain operation, from which he died.

On 28 July 1939 he registered to vote in Salisbury, Rhodesia. His address and occupation as 7 Dunlop House, Salisbury, solicitor.

His voter registration and death notices (x3) are on the following pages. Thereafter is the baptism certificate for his oldest brother who was given the same name as their father, George Henry, and who it would seem died young since only the three other siblings' names appear on their father's death notice. I include this here only as a reference because of the confusion between George Henry (snr), Vivian's father, and George Henry (jnr), Vivian's brother.

Parents: Isabel Constance LITTLE and Vivian Eccleshall BISHTON

Born: 16 June 1928 in Barberton, Transvaal, SA.

Died: She was still alive in 2007 when her husband died.

Married: Kenneth Bertram ADDISON on 08 May 1948 in Rhodesia

Children: (1) Either Nigel or Linda (2) Either Geoffrey or Colleen – in both cases, one of these was her child and the other was their spouse – info from Kenneth's death notice.

Other Information:

On 10 Nov 1951, when she was 23, she registered to vote in Wankie, Rhodesia. Her address was the Pasture Research Station on Bongolo Farm, near Nyamandhlovu village, and not far from the town of Wankie. She had been living there for three years and had been living in Rhodesia for 12 years – i.e. since she was about 11 years old.

On 07 July 1952 she registered again – very similar details, since it was only six months later, but this document (see below) includes birth details of her husband and marriage.

On 01 Nov 1953, she transferred her voter registration since they had now moved to the Henderson Research Station near Mazoe, Rhodesia. This document also gives her date of birth.

Later the family immigrated to Australia and lived at Brian Pastures, Gayndah, NNW of Brisbane in Queensland. Then, in 2007, before her husband, Kenneth died, they were living near the coast at Woongarra Scenic Drive, Bargara, Queensland – north east of their previous home at Gayndah.

Her voter's registrations are on the following pages.

Parents: Father: Duncan Ferguson CAMPELL, b July 1879 in Greenock, Scotland, d 10.06.1928 at the Sanatorium, Chelmsford Rd, Durban. Mother: Catherine GORDON

Born: 10 Jan 1909 in Durban, the oldest of six children.

Died: 17 Apr 1974 in Pietermaritzburg.

Married: Thora Gwynth LITTLE on 14 Dec 1935 in Durban. He was 26, a clerk resident at 198 Main Road, Rossburgh, Durban. She was 23 and resident at 399 Church Street, Pietermaritzburg. Their marriage certificate is on his wife's page.

Children: (1) Malcolm Ferguson CAMPBELL (2) David John CAMPBELL

Other Information: At the time their children were baptised, the family resided at 1 Darbar (Durban?) Court, Drake Road, Umbilo, Durban.

What I believe to be his father's death notice is on the following page in support of the following theory:

From his marriage certificate, his date of birth must have been in 1909 and probably in Durban. The death notice below lists a John Duncan Ferguson CAMPBELL as a child born in 1909. It is hard to believe that John Duncan CAMPBELL, b 1909 in Durban and John Duncan Ferguson CAMPBELL, b 1009 in Durban are not one and the same person – though I have no explanation as to why the 'Ferguson' should be missing from his marriage certificate.

On that assumption, I have filled in his parent's details and added all the other data to the FamilySearch site. Do hope I am not making a big mistake.

On 02 Nov 1949 her Rhodesian voter registration has her living at Stand 3633, 37 Durham Road, Bulawayo and her husband was recorded as a "General Foreman, Civil Engineering". It is here that she gives her place of birth as Rossburgh.

Her voter's registration (04.08.1952) provides more information about her husband than about herself! They had been in Rhodesia for 4.5 years, which means that they emigrated from SA in about 1948.

Her 1966 re-registration had nothing new except to confirm that they were still at 37 Durham Road, Bulawayo.

From his web page: https://chrislewis-smith.co.uk/about we have:

Background

I was brought up among the meadows and streams of rural England. Aged nineteen, I dropped out of art college and travelled to India where I learned to play the sitar and also learned how wealthy England was. I made my first film with my children using my Dad's camcorder. It's still my favourite film. Dance has always been central to my creative practice, as a performer, choreographer, writer, teacher and filmmaker. I have a wonderful multi-talented family and have been fortunate to have worked with, and been inspired by, many truly talented people. I have a PhD from the University of Kent and I'm a Fellow of the Higher Education Academy.

Practice

I'm a filmmaker specialising in the language of the body. My freelance work includes documentation, music videos, promos and the adaptation of stage work into film. I see my work in this context as a collaborative process between myself and everyone involved from planning to the finished film. My

independent creative practice focuses around choreography created for the camera, by the camera, and through editing in the making of screendance. My filmmaking equipment is broadcast quality and I hold a Civil Aviation Authority drone pilot's licence for aerial filming. I'm a Fellow of Bath Spa University where I am exploring how screendance might address issues around climate change.

LITTLE, Adelaide Isabella (a.k.a. Adela or Isabella) (GZV3-QHX)

Last updated: 11 Jan 2023

Insert pics here

Parents: David LITTLE and Elizabeth TUNNICLIFFE

Born: 19 Apr 1859 in Pietermaritzburg and baptised at St Andrew's, PMBurg on 26 June 1859

Died: 02 May 1923 in Bulawayo, Southern Rhodesia aged 64 years. The initials of her parents are incorrectly given on her death notice, as is her age of 62 instead of 64 and the date of demise of her predeceased spouse as 1890 instead of 1885. All other details match exactly, so there is no doubt that this is her.

Married: (A) Hector Kinloch MACDONALD (Macdonald) in the Drill Shed Church, St Andrew's Parish, Pietermaritzburg on 21 Apr 1882. He was 25 and his trade was stated as 'transport rider' resident in PMBurg. She had just turned 23. D. Little, possibly J. Little was a witness – probably her father David Little or her brother John Little – two years before he died. Her name is given as Adela Isabella LITTLE – the Adela probably being a shortened form of Adelaide. They had applied for and been granted a special licence on 28 Mar 1882 and were subsequently married about three weeks later. After he died, she remarried.

(B) William Charles MORGAN at St Peter's Cathedral, Pietermaritzburg on 14 Oct 1890. He was a widower and farmer from Newcastle, Natal. She was a widow resident in PMBurg. Her sister Elizabeth LITTLE was a witness. She is using the name Adela instead of Adelaide.

Children: (A1) John Kinloch MACDONALD

Other Information:

From her death notice, it is clear that she and her second husband emigrated to Rhodesia some time after they were married.

From the time of her marriage, and possibly before, she stopped using the name Adelaide and instead used Adela or, sometimes just Isabella. She is listed as Isabella on her father's death notice.

I have found two marriage certificates for an Isabella LITTLE marrying two different men in Natal at about the date you'd imagine she'd marry – aged about 22. I was able to rule both of them out as being 'our' Isabella. I also found records of three or four other Isabella Littles in Natal in the 1880s but none of them fitted with 'our' Isabella.

There must have been a lot of Isabella Littles floating around Natal in the 1880s! Ditto for Elizabeth Littles!

Died:

Married: Freda Garnet KENMUIR on 18 Sept 1937 in St Peter's Church, Pietermaritzburg. He was 34 year old bachelor, a storeman and resident at 399 Church Street, Pietermaritzburg. She was 19, an "assistant" resident at 139 Longmarket Street, Pietermaritzburg.

Children: (1) Judie Clacke LITTLE

Other Information: In 1938, a year after their marriage, when their daughter was born, the family was living at 136 Greyling Street, PMBurg. LITTLE, David (G7W1-YSP)

Last updated: 26 Jan 2023

Parents: According to FamilySearch, David LITTLE and Elizabeth EVANS b. 1791 in Kings Stanley, Gloucestershire, England. m. 11 June 1822 at Kings Stanley. BUT, David Little is not an uncommon name and the entry in **Family Search gives no documentary evidence of this couple producing 'our' David Little.**

Born: Mar 1828 in Kings Stanley, England – estimated from death notice. Apparently he had siblings, Sussanah and William.

Died: 25 Oct 1903 at the Roman Catholic Sanatorium, Pietermaritzburg, aged 75 years 7 months his wife having predeceased him in 1888. CoD was given as general debility and cystitis. Buried in the Commercial Road Cemetery, Grave no. 1531, (Map 5, Plot 35, Section E), Anglican section, Pietermaritzburg.

Married: Elizabeth TUNNICLIFFE on 27 Dec 1855 in a government schoolroom, in the parish of St Peter's, Pietermaritzburg. He was 27, a gunner and driver with the Royal Artillery stationed at Fort Napier, Pietermaritzburg. She was a spinster of about 21 and also a resident of Pietermaritzburg. Soon hereafter he was demobbed from the military.

Children: (1) John LITTLE (2) Adelaide Isabella LITTLE (3) Elizabeth2 LITTLE (4) Ellen LITTLE (5) Robert Aaron LITTLE (6) Elizabeth LITTLE (7) Thomas David LITTLE (8) Charles Andrew LITTLE

Other Information: David was in the Royal Artillery, 5th Battalion, 4th Company and was stationed at Fort Napier near Pietermaritzburg in 1851 and possibly before that date. He was a possible recipient of the South African War Medal in 1853 and was probably demobbed shortly after his marriage in 1855.

From Geni via Johan Neethling, "a stoker on HMS CYCLOPS in 1848 in Merchant Navy] gunner / driver in Royal artillery etc 4th Company 5th Battalion" and "The 4th Co 5th Bn OC Capt Lethbridge arrived at the Cape in Oct 1849. ^^^^^ Thirty officers and men went promptly to Natal and, as the situation deteriorated on the frontier, some 60 officers and men under Capt Eardley-Wilmot were sent to King William's Town in Dec 1850. A year later Eardley-Wilmot was killed at the Fish River and Capt Devereaux commanded for the remainder of the war, following which the 4th/5th was reunited at Fort Napier, Natal."

Wiki: The Eighth Xhosa War was a war between the British Empire and Xhosa as well as Khoikhoi forces, between 1850 and 1853. It was the eighth of nine Xhosa Wars.

Wiki: Regiment > Battalion > Company

Another researcher suggests that "David Little was with the 4th Company, 5th Battalion in the Third Kaffir War [1799-1803]. [This is impossible it must be the 8th war – and that…] The 4th Co, 5th Btn OC Capt Lethbridge arrived at the Cape in Oct 1849 and was stationed at Fort Napier, Natal." https://www.angloboerwar.com/forum/7-genealogy-and-family-research/10060-david-little-royal-artillery-rand-rifles?fbclid=IwAR0LdlrzgJTSK2cIGCi77EyrA5iWOsM0PXAT4iU9mWTh5cPPiosITz-858k

His death notice states that at the time of his death he was resident at 375 Church Street, Pietermaritzburg. This is located on the corner of Church and Slatter Streets – as stated by my Mum – see below. His daughter, Ellen's baptism notice says he was a 'carter'. The death notice also states that he was a "carrier". From Google we have that this was the driver of (horse-drawn) vehicles for transporting goods – also known as a "carman".

According to my mother (NMP) "My great grandfather, **Andrew** LITTLE, was in the British Army and was involved in building the 'new' road between Pietermaritzburg and Durban. He was demobbed in South Africa and, at one stage, owned an erf on the corner of Church and Slatter Streets in Pietermaritzburg."

We now realise that Mum made a mistake and this was actually **David** LITTLE.

His marriage certificate and death notice are on the following pages.

Narrative Report for David LITTLE (G7W1-YSP) 3 Feb 2023

David LITTLE was born in 1826 in Kings Stanley, Gloucestershire, England. He was convicted [at the age of 15] of stealing apples, the property of Joseph King on 26 Oct 1841 in King Stanley, Gloucestershire, England. David served in the military between 1850 and 1853 [this should be at least 1855]. He appeared as head of the household in the 1855 census residing in Fort Napier, Kwazulu-Natal, South Africa. In 1855 David was a Gunner & Driver, Royal Artillery.

David appeared as head of the household in the in 1870 census residing in South Africa. He appeared as head of the household in the in 1878 census residing in Cape Colony, South Africa.

[**Note:** I don't think the family ever lived in the Cape. I believe that they stayed in and around PMBurg their whole lives. I think this statement simply means that he was residing in South Africa, because at that time the British authorities referred to the region as the "Cape Colony and Natal" – these being the two provinces that were then administered by Britain. I suspect that the 'and Natal' bit was omitted for the sake of brevity. I have come across no other reference or family oral tradition that places this family anywhere (after 1850) except Natal.]

He served in the military in 1899–1902 [Second Boer War] in South Africa. UK, Military Campaign Medal and Award Rolls, 1793-1949

David died on 25 Oct 1903 at the age of 77 [Actually 75y, 7m] at R.C. Sanatorium in Pietermaritzburg, Natal, South Africa. He had his estate probated in 1903 in Pietermaritzburg. He was buried at Grave number 1531, (Map 5, Plot 35 in Section E), Anglican Section, Commercial Road Cemetery, Pietermaritzburg.

NO TOMBSTONE.
He Age: 15 in Horsley House of Correction [for stealing apples]. He is buried with [his children] Elizabeth 1888(*) and John 1884. I have found some of the children: Charles Andrew b 1875, Thomas David b 1870. There are some references in NAAIRS about him but in particular there is a death notice in 1903. If you apply for this through eGGSA it should provide some birth info. If you read the stickys at the top of the board it will give all the info you need to order the certs. If you search the archives yourself refine the search by adding NAB into one of the search fields and this will give you only records for Natal.

(*) [I suspect that this date is not 1888, but rather 1866 – 6s and 8s look very similar on old documents and gravestones. The younger Elizabeth died in 1949 and the first Elizabeth, born 1861, almost certainly died at the age of about 5 years. This could well make the date of her death about 1866 as suggested.]

David LITTLE and Elizabeth TUNNICLIFFE were married on 27 Dec 1855 in Government schoolroom, Parish of St. Peter's, Pietermaritzburg, Natal, South Africa. *The marriage was witnessed by **Elizabeth TUNNICLIFFE**, daughter of Isaac TUNNICLIFFE and Elizabeth COATES, was born on 10 Jun 1821 in Barton Under Needwood, Staffordshire, England. She was baptized on 10 Jun 1821 in Barton Under Needwood, Stafford, England. She was christened on 19 Dec 1830 in Barton Under Needwood, Staffordshire, England. Elizabeth Age: 11 was listed on 31 Jan 1846 in a Pauper Description Book in Southwark, Southwark, London, England. Person in the Paupers Book is named as Eliza Tunniclife. Although birth date given (1835) is in the same approximate date range , it is not certain that this is the same Elizabeth Tunnicliffe.* **[Surely this is wrong? If she had been born in 1821, she'd have been 34 when married to her 27 year old husband in 1855 and she would have been 55 when she gave birth to her youngest child in 1876 – despite having died aged 54.]**

She appeared as head of the household in the in 1870 census residing in South Africa. She died on 16 Dec 1888 at the age of 67 in Pietermaritzburg, Kwazulu-Natal, South Africa. Elizabeth died on 16 Dec 1888 at 16 Church Street in Pietermaritzburg, Natal, South Africa. Cause of death given as "Failure of the hearts action caused by great increase in the volume of the blood and deposit of fat all over the body". She was buried in 1888 at (Map 5, Plot 35, Section E), Anglican Section, Commercial Road Cemetery in Pietermaritzburg, Kwazulu-Natal, South Africa. TOMBSTONE: YES

I don't think that the following article has anything to do with David except for the fact that Capt Faddy who was OC the Royal Artillery at Fort Napier in 1846 (article below), was still there in 1851 when our David LITTLE was posted there. But the **last two articles are more promising**. Looks like the Royal Artillery were due to ship out to SA in 1851 on a new boat, the Megaera, but then, change of plan and they came on another boat, the Cyclops.

THE FORTY-FIFTH, OR NOTTINGHAMSHIRE REGIMENT OF FOOT.—At Fort Napier, on Monday last, at twelve o'clock, this regiment and a detachment of the Cape Mounted Riflemen, under the command of Lieutenant-Colonel Boyt, were formed in line on the parade-ground, to receive his honor the Lieutenant-Governor, on the occasion of his visit with the chiefs of the Zoolahs, now at Pietermauritzburg. After the usual salutes given on his honor's arrival, the line was broken into open column of divisions right in front, and marched past in slow and quick time. The column was then re-formed into the line on its original ground, loaded with blank cartridge, and went through a variety of movements, amongst others, rallying and company squares, which it is said much astonished the chiefs. His honor, with the chiefs, subsequently witnessed some excellent target practice, by the Royal Artillery, under the command of Captain Faddy, from the Fort—the range being very considerable. A few field movements were also performed by a sub-division field battery. The effect produced by this military display on the minds of the chiefs must have been striking. The presence of a number of ladies added much attraction to the occasion.—*Cape paper*, March 31.

REINFORCEMENTS FOR THE CAPE.—The Megæra, 10, iron screw steam frigate of 350-horse power, is to be commissioned immediately at Sheerness, to carry troops to the Cape of Good Hope, and notices have been put at the dockyard gate at Woolwich for stokers to serve in that vessel. Several appointments from the Fisgard have been made to the Megæra, although they have not as yet been officially announced. The troops expected to proceed in her to the Cape are the 2nd or Queen's Royal Regiment of Foot, and Captain Faddy's company 6th battalion of the Royal Artillery. Captain Faddy, with a number of officers of the Royal Artillery, attended at the pond in the Repository Ground, on Wednesday, to test an India-rubber boat made by Mr. Cording, for enabling the officers or men to cross the rivers in South Africa. The boat weighed only 34 lb., and was found not only capable of carrying persons, but, on weights being put on board, its buoyancy was sufficient to sustain 350 lb.

HMS *Cyclops* was a paddle wheel steam frigate built for the Royal Navy and launched in 1839 and taken out of service in 1861 and sold for breaking in Jan 1864. She saw action in the Syrian War in 1840 and the Crimean War in 1854, later being involved in laying the first Transatlantic telegraph cable in 1858.

The *Cyclops* was a first class sloop launched on 10 July 1839 and completed in Feb 1840. Built in the Royal Navy dockyard in Pembroke Dock, Pembrokeshire in Wales[1] with a wooden hull, she weighed 1,195 tons, had six guns and was propelled by a paddle in the middle of the ship[2] powered by J. & S. Seaward and Capel two-cylinder 'Gorgon' engines giving a top speed of 9.5 knots. The *Cyclops* was originally intended as a sister ship for the *Gorgon* but in July 1838 her design was altered by adding a 12 foot long midships section and she became a steam frigate, changing to a corvette in the 1850s. At that time she was the largest steam warship in the world. ^^^^^ From July 1848 her Captain was George Fowler Hastings, during whose command she transported soldiers to Ireland and saw service on the west coast of Africa until Feb 1851.

Parents: David LITTLE and Elizabeth TUNNICLIFFE

Born: 26 Feb 1861 in Pietermaritzburg and baptised 28 Apr 1861 in the parish of St Andrew's, PMBurg.

Died: Almost certainly died by the age of 5 years.

Married:

Children:

Other Information: Since they had a later child who they also named Elizabeth, I assume that this Elizabeth died before the second one was born in 1867. Also, her father's death notice lists only one Elizabeth – presumably the second one.

Parents: David LITTLE and Elizabeth TUNNICLIFFE

Born: 10 Mar 1857 at Fort Napier where his father was stationed. Baptised 29 Mar 1857 in the parish of St Peter, PMBurg.

Died: 14 May 1884 at Zwart Kop near Pietermaritzburg aged 27 years. Unmarried. CoD was valvular disease of the heart. The GEDCOM data date of 1881 is incorrect. Although the gravestone appears to read 1881, close inspection shows that it is actually 1884 - which also ties in with the age of 27 on the gravestone. Incidentally, the death notice gives the date as 16 May 1884 and age 26, whilst the gravestone gives it as 14 May 1884, age 27.

Other Information: He was a lance corporal in the Natal Mounted Police.

Noelle Margaret Peckham (nee Little)

Born 18 Dec 1929 - Died 16 May 2002

Eulogy read by Pat at Mum's Funeral

We are here to celebrate Mom's life not to mourn her death and we as Mom's children have so much to celebrate from her life.

It is impossible condense Mom's life into a few minutes. She lead such an active and varied life but one thing that didn't vary was her love concern and caring for her family. Having married Dad at the age of 19, Mom could hardly boil an egg let alone sew on a button, but necessity taught her to become an accomplished cook, baker, sewer and knitter. On an evening she could even be found in Dad's woodwork room manhandling the band saw and drill press to prepare pictures for the craft market or in the garage helping us bottle Dad's home-brewed beer

Our fondest memories of Mom were the special events of our youth which she made so precious to us. The excitement that would build up before Christmas and Easter with her involving us in preparations, and the long-awaited beach holiday in July when she would bake for weeks - all our most favourite biscuits and goodies and then spend three weeks cooking the pounds of shad we

caught on our holiday. Not to mention the evenings we would spend fighting for space on Mom's bed while she read to us chapters from "Freckles" and " Girl of the Limberlost" It never ceases to amaze me how such a little lady could have been landed with such big, naughty children and still manage, with the aid of a few dog leads, coat hangers and hair brushes, to control and bring us up. I know now that her strength came from within and when we had burnt down a haystack, pulled the putty out the windows of the new house or eaten the fruit for the Xmas pudding on Xmas eve when all the shops were closed, she would give us our just deserts and move on.

After her love for her family, a very close second, was her love for her dogs. I can never remember a time when our home was not over-run by them. Whether she was breeding or running kennels, the dogs were treated as family members and, at times, we would have to stand in line for her attention. Not that we minded, because she instilled a love for animals in all of us. Whether we brought home mice, rabbits, chickens, partridges, guinea pigs or silkworms. Mom would be there to help us care for them and end up loving them as much as we did.

Whatever task or project Mom took on she did it to perfection or as near as dammit. When she tried to teach us to sew we spent more time unpicking crooked seams than we did sewing. When she decided to breed dogs - only South African champions were good enough. When she gardened, flowers of the best quality were mass produced for the market. She did, however, fail dismally in one sphere and that was her ball skills. She could never throw or catch a ball let alone hit it with any type of sporting equipment. But who needs to when you have so many other skills like Mom had? And even with her lack of sporting skills. Mom was always on the side or the field at our sporting events and never missed a prize giving even though we weren't prize winners.

Her skills with a gun were beyond question. At Bishopstowe, where we lived on a farm, every guinea fowl would take its life in its hands while trying to steal mealie seeds from the fields. And when we moved to Schroeders she down-graded to a pellet gun with a warped barrel that shot at least 30 degrees to the right and still saved the fruit trees from being ravaged be the injlazies.

And while she did all she had to do and wanted to do, Mom would whistle. I have never known anyone who could whistle a tune like Mom - anything from classical to pop. She even had a whistle for each of us and we never heard her shouting for us. Just a whistle

I think the happiest days in Mom's life were spent at Bishopstowe where she could enjoy the outdoors, which she loved, and garden till her heart's content while still travelling to shows all over the country with her Cairn Terriers. While there, she formed a special friendship with Mary and Alan Hackland. Auntie Mary became like a second mother to us and Mom a second mother to her three children. How Mom and Auntie Mary ever survived the six of us on the beach holdays shopping trips and sleepovers, I will never know.

Another supporting and loving person in Mom's life was her cousin, Jean [Clark, nee Blackie]. They have always been close and Auntie Jean has been a tower of strength and always cheerful when Mom needed it.

Mom was an avid Women's Institute supporter. Whether it was all the meetings which she attended each month for as long as she was able, competing for the spoons and monthly competitions, baking her legendary biscuits, sewing or making jams for the Royal Show or making and selling cards for Evelyn House. She gave it her all with enthusiasm and dedication. She was appointed secretary of the A.A.C for Umvoti Group and later became Executive member for Umvoti. For several years she was a dual member of both Swartkop Valley and Wartburg Institutes. For the last few years she has been a loyal member of Swartkop Valley and was presented with the service award last year.

Mom was an only child whose parents died when she was young. She spent most of her youth with her Aunt [Min Blackie] and Uncle [George (Pop) Blackie] and their only son, Billy [William Blackie], who she has considered as a brother over all these years. Billy, who has lived in Canada for the last forty years, has been to visit on several occasions. His most precious visit to Mom was his arrival from

Canada to support her through her operation and spending the day with her on Mother's Day last week. His love and concern for Mom can never be measured. We are all grateful to Bill for making Mom happy during a very hard time.

Mom's life during the past few years was very difficult and isolated as she attempted to care for my dad. It was the love and support of the Wartburg community and her niece Molly[Englebrecht, nee Peckham], who helped her through this difficult time. I don't want to mention names for fear of leaving someone out, but you will know who you are and we would like to thank you for being there for Mom when we couldn't be.

I know that Gavin [Reed - Lynne's husband] and Barbara [Adcock - Gavin's wife], who were embraced by Mom into our family, will tell you that she treated them as one of the family and will miss her as much as we will. They were just lucky that they were old enough not to feel the hairbrush on their bums. Mom was never one to pull punches, but she loved us, including Gavin and Barbara, unconditionally. The greatest event in her life was the arrival of the grandchildren - Bridget, Debbie, Neil, Michael and Jennifer - imagine how she sewed, cooked and knitted for each new arrival. Each grandchild has a hand knitted "granny blanket" each of which took Mom months to make, and until the very end she was knitting to celebrate the arrival of her great - grandchild, Paige. I know she has a very special place in each grandchild's heart.

Each person here today who knew mom will have their own special memories of her and I hope that she will be remembered fondly in all your hearts.

As you look at the front cover of the order or service, I would like to borrow some words from a prayer we used on mother's day when I used ran a Cub Pack : "Helping hands are happy hands and happy hands are blest. And so I give these happy hands to help those I loved the best" That was our Mom - and as she used to say to us each night when we went to bed after saying our prayers and kissing us goodnight, we'd like to say to her, "Sleep tight. Mom, God Bless"

Many dozens of sympathy cards were received. Some of the more touching ones were:

- Dear Doug and Family, I just cannot express my sadness on hearing that Noelle had passed away. I have come to know her quite well over the years at WI - her willingness and generosity to support any project - whether it be a quantity of biscuits, to make cards or organise raffles for Evelyn House, she was unstinting in her efforts. Even in hospital when I visited her a week ago, she promised to give me a jar of her jam - this was Noelle, a wonderful, warm hearted friend who will remain in my memory and heart forever. From Jeanne Mather.
- Dear Peckham Family, We just want to convey our deepest sympathy to all of you in this time of sorrow. It must hurt very much to lose your wife, mother, granny and even great-grandmother! Noelle was such a wonderful, straight forward person. We so enjoyed her spunk and sense of humour. It was an honour and such a privilege to have you as neighbours. We just wish that we had done more for you in those four wonderful years. Noelle will be deeply missed by us. May God bless you and be very close to you. With fond memories from Deon, Cheryl, Brendon and Lynton, Wartburg.
- Dear Gavin and Barbara, We are so very sad to hear the news of your Mum. We will always remember her sparkle and verve and the selfless way she devoted her energies in the service of others, especially through her long association with the WI. When I went to see her in hospital we had a very happy chat together. We will always remember her as a warm, friendly and gallant lady. Much love, Bob and Winkie Crago, Pietermaritzburg.
- Dear Gavin, Barbara and Family, Cliff and I were so sad to get your e-mail - it must have been a terrible shock to you. We have very happy memories of how your Mum made us feel welcome, whenever we met - be it in PMB park or Wartburg or Mtunzini. She was a delightful character and I

know how thrilled she was when you bought the house in Wartburg for them and how relieved she was to be nearer to 'town'. She loved her garden and we remember the time we met for afternoon tea there on our last visit - a lovely day to look back on. She was so proud of you and your family, so you must have done something right! Our love to you all and our thoughts are with you. Cliff and Enid Hughes, Liverpool, UK.

- Hi Gavin, I am terribly sad to hear of your Mum's passing. I was looking forward to seeing her again in July. We have so many good memories of growing up with your family and your Mum was a very big part of them. It is hard to conceive of her not being there and not being a part of our lives anymore. Please pass our very sincere condolences on to Pat, Lynne and your Dad. Kind regards, Keith Hackland, Texas, USA. More to follow when I get a chance.

Parents: Charles Andrew LITTLE and Isabel Madeline CLACK

Born: 03 Oct 1910 in Pietermaritzburg

Died:

Married: Joyce Loveday HOSKING on 06 Nov 1939 in Pietermaritzburg. He was 29, a carpenter and joiner resident at 399 Church Street, Pietermaritzburg. She was 21, a typist resident at 390 Alexandra Road, Pietermaritzburg.

Children: (1) Jennifer Loveday LITTLE (2) David Charles Reginald LITTLE

Other Information:

In 1944 the family was living in Pretoria and Reginald was listed on his daughter's birth baptism certificate as being a soldier – this was of course during WW2.

All one can glean from the first voter's certificate (10.11.1949) is that he was resident in Southern Rhodesia (Zimbabwe) from 1947. However, the second certificate (26.07.1952) indicates permanent residence as from Apr 1948 and that he had resided at 37 Durham Road, Hillcrest, Bulawayo for 3 years and 3 months. Also, that his occupation was that of a building supervisor.

There is another registration in 1966 but this gives no new information.

Their marriage certificate and his voter's registrations (x2) are on the following pages.

Last updated: 10 June 2021

These are the only pictures I can find of Valery. They were all taken on the same day in 1930 at "The Dairy", Winkelspruit, Natal south coast. None of them really show what she looked like under the hat.

(1) Valery on the left, with her brother Wilfred Thomas LITTLE in the centre and her sister Beulah LITTLE on the right, holding her brother's child (niece), Noelle Margaret LITTLE. This photo must have been taken less than a year after NMLs birth - i.e. about 1930.

LITTLE, Vivienne Patricia (GH3X-C5L)

Last updated: 25 Feb 2023

Parents: Charles Andrew LITTLE and Isabel Madeline CLACK

Born: 19 Mar 1906 presumably in Pietermaritzburg.

Died: 27 Apr 1971 in Grey's Hospital, Pietermaritzburg aged 65 years. Buried at Mountain Rise cemetery, PMBurg. CoD was lung cancer and subsequent heart failure. She was living at 1 Strathallan, Killarney Terrace, PMBurg.

Married: (A) Robert McGLEW on 07 June 1926 in Howick, Natal. He was 21, a clerk and resident at 229 West Street, Pietermaritzburg. She was also 21 and resident at Fort Napier, Pietermaritzburg. They subsequently divorced.

(B) Frederick George FENDER on 07 Oct 1941 in Pietermaritzburg. He was 42, a divorcee, sales manager and resident at 211 Pietermaritz Street, Pietermaritzburg. She was 35, a divorcee, shop assistant and resident at 399 Church Street, Pietermartizburg.

Children: (A1) Robert Napier McGLEW (A2) Derrick Jack McGLEW. There were no children from her second marriage.

Other Information: Apparently her first husband turned out to be a bit of a 'rascal'. He was not spoken about in the family and nobody seems to know just what mischief he got up to – 'though this is probably what led to the divorce. Since he died young (46) from cirrhosis of the liver, it is not an unreasonable guess that he was a heavy drinker and this may well have been the root of the trouble. His occupation is given on his death notice as a salesman.

LITTLE, Wilfred Thomas (GH36-ND6)

Last updated: 10 June 2021

(1) With his wife, Beatrice, and daughter, Noelle, taken in 1929 when he was about 33 years old.

(2) With his daughter, taken in 1930 when he was about 34 years old.

Parents: Thomas David LITTLE and Dorothy Smithson BELL

Born: 24 June 1895 in Slatter Street, Pietermaritzburg – the same day of the year as his grandson – me.

Died: 20 Jan 1947 at Grey's Hospital in Pietermaritzburg aged 51 years 7 months. Buried at the Mountain Rise Cemetery, Pietermaritzburg. The names of his parents are incorrect on the death notice. CoD was given as hypertension. At the time of his death he was living at the Botanical Hotel, Prestbury, PMBurg. Three death notices are attached below.

Married: (A) Beatrice WILSON-BLACKIE on 08 June 1922 at St Paul's Cathedral in Durban. He was 26 and a dairy farmer from 'Valhalla', Warner Beach, Natal. She was 31 and a clerk from Rosetta Hotel, Rosetta, Natal. Their marriage certificate is attached below.

(B) After Beatrice's death, Wilfred married Marjorie CHEETHAM on 08 Apr 1939 when his daughter was 10 years old. He was her third husband. They were both 43. He was a dairyman at Winkelspruit and she resided close by at Warner Beach on the Natal south coast. Their marriage certificate is attached below.

Children: (A1) Noelle Margaret LITTLE (B) No children

Other Information: Margaret CHEETHAM (Mum's step-mother) made Mum's life hell and as a result Mum spent as much time possible with the BLACKIE family and became virtually a sister to their son, William Vacy BLACKIE. She thought her father was a fool for marrying Margaret and often told me that the fact they were married on 'April Fool's Day' was most appropriate. In fact they were married on 08 April, so Mum's memory was probably just wishful thinking.

Lived at Winkelspruit on the Natal South Coast on a farm called "The Dairy". But, after his remarriage, and at the time of his death his residence is given as Botanical Hotel, Morcom Road, Pietermaritzburg.

During his first marriage, he leased a store and tearoom called "The Little Store" from "Granny and Grandpa BLACKIE" - i.e. George Vincent BLACKIE (senior) and his wife, Margaret BLACKIE, nee GRAY, then WILSON, then BLACKIE! They refused to renew the lease after Wilfred married his second wife.

Mum said that he used to go off on trips to catch birds for his aviary – often using 'bird lime' for the purpose.

On the death notice of his first wife, Beatrice, his occupation is given as "dairyman".

See his marriage certificate and death notice on the following pages. On his death certificate, his father's first and middle names are transposed and his mother's middle name is incorrectly given as Simpson instead of Smithson.

FORMER South African cricket great Jackie McGlew died at his Craighall Park home on Tuesday [08 June 1998] after a long battle against leukemia.

McGlew (69) captained South Africa in 14 test matches between 1947 and 1967. His score of 255 not-out against New Zealand is the second highest international score ever recorded.

McGlew's first-class career included 27 centuries in the 12 170 he scored at an average of almost 46 runs. In McGlew's Test career he chalked up 2440 runs in 34 Tests at an average of just over 42.

McGlew played for Natal from 1948 to 1967, and skippered the province from 1951 to 1967. He was voted Sportsman of the Year in 1955.

McGlew is survived by his wife, Patricia, daughters Jacqueline and Vivienne, and sons Lloyd and David.

Wikipedia Entry :

https://en.wikipedia.org/wiki/Jackie_McGlew

Derrick John "**Jackie**" **McGlew** (11 Mar 1929 − 8 June 1998) was a cricketer who played for Natal and South Africa. He was educated at Merchiston Preparatory School and Maritzburg College, where he was Head Dayboy Prefect and captain of both cricket and rugby in 1948.

An opening batsman with fabled powers of adhesion, suiting his name, McGlew set records in the 1950s for slow scoring. But though his tenacity brought criticism – even from Wisden — he was the linchpin around which the strong South African cricket team of the 1950s was built.

Dourness reached new levels in 1957–58 in the home Test series against Australia: at Durban, McGlew took 313 minutes to reach 50, and the 545 minutes he took to get to 100 was the world record for the slowest century in first-class cricket until declining over-rates in the 1970s took all such timed records away. In all, he batted 575 minutes for 105, but South Africa failed to win because there was not enough time left to bowl Australia out twice. Wisden praised the innings as a feat of concentration and endurance but added: "It is doubtful whether South Africa benefited by it."[2] McGlew's third tour of England in 1960 saw him captain the side. He had a poor Test series, and the tour was blighted by controversy over the bowling action of the South African fast bowler, Geoff Griffin, who was no-balled for throwing at Lord's. McGlew retired from Test cricket after the 1961–62 series against New Zealand, in which he scored his seventh and final Test century. In all, he captained South Africa in 13 Tests, winning four and losing five. He scored 2,440 Test runs at an average of more than 42.

A useful before Lunch and Afternoon Tea bowler. he took no Test wickets with his leg breaks, but did reap a hat-trick for Natal against Transvaal in 1963–64, with the wickets spread over two innings. His best bowling figures in a single innings were only two wickets for four runs.

Batting at number eight or nine, he played some useful innings while leading Natal to victory in the Currie Cup in 1966–67, then retired from first-class cricket.

An excellent tactical captain, he was warmhearted and devoted to the game. He wrote the books "Cricket for South Africa",

"Cricket Crisis *, (about the 1964–65 series against England) and* Six for Glory *(about the 1966–67 series against Australia).*

In retirement, he briefly threw in his hat with pro-apartheid politics[3]at one point standing as a candidate for the ruling National Party, before moving into business. In 1991–92, when post-apartheid South Africa was re-admitted to world cricket, he was picked as manager of the first visit by a South African team to the West Indies, the Under-19 tour.

McGLEW, Robert (ka Bobby) (G7PM-HX4)

Last updated: 10 June 2021

Parents: Robert McGLEW (civil servant) b. 1869 Homerton, England d. 15 June 1947 at PMBurg and Constance Laura STACEY m. 22 July 1903 in PMBurg, d. 01 June 1944. Both resident in PMB at the time of their marriage and both single at the time. Apart from Robert they also had: Constance Mary McGlew, b. 02 May 1907; Norman Francis Zouch McGlew b. 11 Feb 1911; Leonard Allan McGlew b. 18 Jan 1914; Zoe Ivy McGlew b. 06 Apr 1921

Born: 13 July 1904 and baptised on 18 Nov 1904 in Pietermaritzburg. His parents were resident at 229 West Street, PMB at the time.

Died: 20 July 1950 from cirrhosis of the liver in Addington Hospital, Durban aged 46 years and being resident in the Metropole Hotel, Smith Street, Durban at that time.

Married: (A) Vivienne Patricia LITTLE on 07 June 1926 in Howick, Natal. He was 21, a clerk and resident at 229 West Street, Pietermaritzburg. She was also 21 and resident at Fort Napier, Pietermaritzburg. They subsequently divorced. Their marriage certificate is on his wife's page.

(B) Lorraine SHEARER on 12 Feb 1941. She was a 27 year old spinster from the Cape Province and Robert was then a 36 year old salesman resident at Illovo. Marriage certificate below.

(C) Patricia Margaret BUTTON, nee CALLAGHAN (born in England in 1913) on 01 Mar 1948 in Durban when he was 43 and she was 35, both divorcees, both sales people and both resident at St Winifred's on the Natal South Coast. After barely two years of marriage, her second husband, Robert McGLEW, died from liver cirrhosis, aged 46. Patricia then promptly remarried for a third time on 12 Dec 1950, to Edward Rayment JONES, a divorcee and jeweller also resident at St Winifred's, South Coast, Natal. There were apparently no children from her second and third marriages to McGLEW and JONES.

Children: (A1) Robert Napier McGLEW (A2) Derrick Jack McGLEW

Other Information: Apparently Robert was a bit of a 'rascal'. He was not spoken about in the family and nobody seems to know just what mischief he got up to – 'though this is probably what led to the divorce. Since he died young (46) from cirrhosis of the liver, it is not an unreasonable guess that he was a heavy drinker and this may well have been the root of the trouble. His occupation is given on his death notice as a salesman.

On 27 June 2021, his granddaughter, Vivienne Ruth McGlew sent me an email including the comment, "Sorry, but this is all I know, except that he came home late at night on a rickshaw, was a womaniser and drank a lot! Apart from that he was never mentioned."

Born: 05 Mar 1935 in Salisbury, Rhodesia

Died:

Married: Michael (Mike) d. BARKER about 1958

Children: (1) Katharine (sic) BARKER

Other Information:

On 05 July 1958 she registered as a voter in Rhodesia under the name of Shirley Anne ORR. She gave her address as 4 Malcolm House, Blakiston Street, Salisbury. There is no other useful information except a hand written note at the top of the page which says, "change of name to Barker" so presumably she got married shortly before this date.

On 14 Sept 1962 she reregistered as a voter under the name of Shirley Anne BARKER and gave her address as 5 Montana Court, Warren Close, Greendale, Salisbury.

On 07 Sept 1966 she registered again as Shirley Anne BARKER and gave her address as 1 Leander Road, Greendale, (Salisbury). I have not attached this document as it just like the previous one except for the change of address.

Parents: Herbert Ramsay PECKHAM and Elsie Muriel FRANKLIN.

Born: In Westfort Leprosy hospital, Pretoria on 26 Sept 1918.

Died: At Arcadia Nursing Home, Greytown, Natal, 20 Feb 2004 aged 85 years 5 months.

Married: Noelle Margaret LITTLE on 08 Oct 1949 at St Peter's church in Pietermaritzburg. William du BOIS BOIS (see Tree) was the best man at their wedding. Dad was 31 and a salesman at the OK Bazaars in PMBurg. He was living at 306 Berg Street, PMBurg. Mum was 19, a bank clerk living at 62 Morcom Road, PMBurg. Auntie Ethel and Auntie Mary were witnesses – that is Mum's aunt Ethel Margaret SHEEHAN, nee WILSON-BLACKIE and Dad's aunt, Mary Lilian FRANKLIN – see relevant trees. Their marriage certificate is on Mum's page.

Children: (1) Gavin Douglas PECKHAM and twins, (2) Patricia Margaret PECKHAM and (3) Lynne Noelle PECKHAM

Other Information: Douglas' mother, Elsie Muriel FRANKLIN contracted leprosy in 1918 whilst she was pregnant with her first child. She was sent to Westfort Leper Institution at Pretoria where Douglas was born and was immediately removed from his mother's presence. His mother doted on her 'unseen' son and wrote him regular loving letters for about eight years until she died of her

disease. For the first six or seven years Douglas was cared for by one of his mother's older sister, Mary Lillian FRANKLIN (b 9 July 1884 in York, Natal and died 31 July 1971 in Durban, aged 87) and lived with her in the village of York. During this time his mother regularly posted pictures that she cut from various sources and his Aunt Mary assembled these into a most superb scrapbook for the youngster. The book included many short and very loving messages to her precious little son. As will be seen further on, young Douglas was not particularly well treated by the Peckham family but was taken under the wing of his mother's family, the Franklins, to whom he grew very attached. Even in his later years he seemed to speak with a greater fondness about the various members of the Franklin family than he did about the Peckhams.

When his father married again Douglas was taken from his aunt Mary back to the family farm, Green Kopje. According to Douglas he could do nothing right in the eyes of his step mother, Annie Allison Mac WILLIAM (Aunty Mackie). He suspects it was because of this that he was sent to boarding school at Willow Fountain instead of going to day school in New Havover like most of the other children in the area. Douglas was about eight years old when he was sent to Willow Fountain school just outside PMBurg as a boarder. He has fond memories of the strict but effective education that he received there. At the age of 13 he was sent to Merchiston Junior School in Pietermaritzburg to repeat Std 6 (Grade 8) in order to qualify for a scholarship, but fell ill with osteomyelitis during his first term there. He initially spent over a year at Grey's Hospital in PMBurg and subsequently underwent numerous operations to remove fragments of bone that were disintegrating from his legs. This included the removal of his left kneecap which left his leg permanently stiff and caused him to walk with a pronounced limp for the rest of his life. It was then decided that the doctors could do no more for him and that he would be unable to withstand any more anesthetics and operations, so he was literally sent home to Green Kopje farm near New Hanover to die. He was then treated by a herbalist (name ?) in PMBurg and after several months made a remarkable recovery. However, he suffered with festering sores in his legs for the rest of his life. These days, a simple shot of antibiotics would

have rapidly cured the original problem. During his time at Grey's Hospital Douglas would often go down to the Umsinduzi River in the hospital grounds where he caught many scalies (yellowfish) and barbel (catfish) - the hospital has since moved to new premises on the opposite side of town.

Once he was back on the farm, Douglas's problems with his stepmother continued until, in desperation, he left Green Kopje farm at the age of 16 or 17 to work as an assistant in the PIKE'S trading store near Tinana in East Griqualand. He stayed with the Pikes for about three years and the family was very good to him and he enjoyed some exciting trout fishing in the local rivers. However, the pay was very low (£2 per month plus board and lodgings) and he eventually got work as a bookkeeper and paymaster at several coal mines around Byrneside, near Dundee, in northern Natal. He did not like this area much and decided to move back to PMBurg where he took a job with Crerar's Minerals for 20 pounds per month - a big drop from the 41 ppm he had been earning on the mines. Although he enjoyed working at Crerar's, he was offered a salesman's job at the OK Bazaars in PMBurg for £ 45 ppm. During this time he met his future wife whilst playing tennis at the home of his cousin, Ronald Earle PECKHAM.

Reasons for the sale of Green Kopje farm - Colin sent to Cedara to train and take over from his father, but called to follow the Lord, left at short notice, large bond, etc, etc, ...

Borrowed money on the farm at Bishopstowe to finance a half share of the tearoom in Lindup Rd, PMBurg. His partner, ??ALCOCK absconded with the money, and Dad consequently lost the farm ...

NCD, PMBurg ...

Comec Mimosa Extract Co, Schroeders ...

Retired to Wartburg ...

Lived with his daughter Lynne after his wife died ...

Was a keen golfer - peaked at a 4 handicap, a badminton player and played doubles tennis quite effectively. Also keen photographer. Gave up almost all these activities after he married - am not sure why. He did not easily get on with new acquaintances and was not particularly outgoing socially, but was a solid and loyal friend to those few people who persisted long enough to get to know him well.

Much more to follow in due course ...

According to David Ronald P, "Doug had a penchant for three wheelers and had at least three of them to my knowledge. Somehow their rarity made them seem very exciting. One had a dickey seat and the children used to queue for a ride in it. To sit at the back where a boot should have been was the ultimate in one-upmanship. After marrying he became more sedate."

The following letter (23 May 1948) from his father, Herbert P, has a cryptic comment in the margin which refers to one of Douglas P's three wheelers - see next page.

Green Hayes

May 23rd 1918

Dear Douglas

I am finding time to write you a few lines to thank you for the presents you sent me, they will both come in very handy, the one to shoot bunnies with and the other when I have a bad cold.

I do not know if you will see our people in P.N. Burg, today, as they are on their way down to Hill-Crest to ~~the~~ see the poor old Jenkins, they are both just about the end of their time, Mum wanted to go and see them so Ivon has taken her down, so I am here alone today.

We have just about got the walls finished, we have two more to do which will be done by Tuesday all being well, I think we have done very well, got all the walls up in less than a months work and not knowing or have done any house building before.

This is all ~~the~~ for now

with much love

Dad

It is time you had a run out as it is a long time since you were here, you will have to get Mick keys with 3 legs a tail and out

Homes, Education and Work.

I was born in Grey's Hospital, Pietermaritzburg on 24 June 1950. At the time my parents were renting a house in Morcom Road, PMB but within a few months they moved to a house in Greyling Street, PMB of which I have vague memories. In about 1954, our family moved to a 20 acre smallholding at Bishopstowe, about 10 km from the PMB city centre. I have many so happy memories of life "on the

farm". I attended Three Oaks Nursery School in Boom Street for a year (1953) – where I developed lifelong hatred of sago pudding – and then Burger Street Junior School for grades 1 to 3 – then called Class 1, Class 2 and Standard 1 (1955 – 1957). Next came Merchiston Preparatory School for grades 4 and 5 (1958 – 1959).

In 1959 my dad got a job as paymaster for Comec Mimosa Wattle Extract Company at Schroeders – halfway between Wartburg and New Hanover. The family lived here until my dad eventually retired. After moving to Schroeders, I and my twin sisters attended Wartburg High School from 1959 and matriculated in 1967 and 1968 respectively.

After a year's conscription (1968) in the SA Air Force at Pretoria I completed a BSc Hons in Chemistry (1972) as well as a Post Grad Teaching Diploma (1973) at the University of Natal in Pietermaritzburg which is where I met and later married (1994) a very precious lady, Barbara Adcock. During 1974/5 I taught Science at Northlands Boys' High School in Durban, living at 32 Kinross Flats, Goble Rd, Durban, before accepting a lecturing post in the Department of Chemistry at Zululand University where I remained until my retirement, aged 65 in 2015 – having earlier obtained an MSc from UNP in 1982 after a year's sabbatical. During this time I published over forty papers in internationally refereed scientific research journals and taught all the Theoretical and Physical Chemistry courses as well and an assortment of service courses. For the first 20 years in Zululand (1975 – 1994), we lived in the delightful seaside village of Mtunzini, at first in rented accommodation before buying our first home – a lovely, spacious face brick house with a magnificent inland view over the Ongoye hills. It was here that our children, Neil and Jenny were born.

In 1994, we decided to immigrate to New Zealand. Barbara and we both resigned and we sold our lovely home for a song. I went on ahead but became suicidally homesick and was back in SA before Barbara and the kids could even join me in NZ. It was the most traumatic period of my life and I prefer not to dwell on it in detail. To cut a long story short, both Barbara and I were extremely fortunate to be able, after some delay, to get our old jobs back – but not our beautiful home, and were reduced to buying a house in Empangeni. This, our second home, grew on us the longer we stayed there which was, in the end, 24 years. So, both Barbie and I ended up working for our respective institutions for over 40 years, with a brief and traumatic hiatus half way through.

After Barbara retired from St Catherine's School at the end of 2018 we decided, with some reluctance, that it was necessary to emigrate – again. This time Barbara, being a UK citizen, went ahead to set things up whilst I wound up our affairs and disposed of our possessions in SA. After a heart breaking separation of nearly a year, I eventually obtained a spouse visa and was able to join Barbara and our daughter, Jenny in the UK – Neil having married and settled in London a decade or so previously. Barbara had found and purchased a small, but perfectly situated flat in the village of Bedwas near Caerphilly in Wales and not far north of Cardiff. Both my emigrations were extremely stressful, but the second time round we have settled in well. Two years down the road (2021) are very happy despite missing family, friends and the green, green hills of Natal.

Other Stuff

As a youngster I was a fanatical fisherman with a particular love for fly fishing for trout and bass having graduated from cruder forms of angling under the mentorship of, Vic Evans, a gentleman of note, an influential headmaster and a doyen of trout fishing in Natal during the mid-1900s – it was a real "old man and the boy" story.

During my varsity years I was taught to play the bagpipes by Mr Len Neasham and spent five years as a piper in the PMB Caledonian Pipe Band before moving up to Zululand. Apart from very brief dalliances with ice skating, parachuting and sailing, I began two other activities during my varsity years. First, I decided to run the Comrades Marathon and during the course of the next 15 years I ran ten Comrades (Green Number 2532) and almost two hundred standard and ultra-marathons. At the same time I was reluctantly dragged into backpacking in the 'Berg by my good friend Neil Solomon. At

first I regarded these hiking trips as a waste of good fishing time and tagged along merely to keep my friend happy. However, the hiking bug really got hold of me and during the course of the next two decades I hiked the length and breadth of the 'Berg.

I had a great fear of heights but, nevertheless, I soon felt the lure of the peaks and during my two decades of hiking I managed to scale three of them. These were the very easy scrambles up Sterkhorn and Ntunja as well as the C grade scramble up Cathedral. These I regarded as absolutely death defying feats and the highlights of my hiking career – I had no idea of what was to follow.

During my early 40s I met Rodney Owen who had recently been appointed to the staff of Zululand University. Our conversation moved from trout fishing, to hiking, to climbing and then to the activities of the MCSA mountain rescue team of which Rodney was a member. Rodney soon convinced me that it was irresponsible to go scrambling about in the mountains without at least a rudimentary knowledge of rock climbing techniques. So, he dragged me off to Monteseel and ensconced us at the bottom of the classic beginner's route, Cain (grade 10). Having never seen any 'real' rock climbing in my life, I looked up at this awe inspiring face and presumed that Rodney was either joking or mad – surely no human being could climb that face. To cut an already long story short, I made an intellectual commitment to the safety of the system and began to climb. Within three months my fear of heights was gone and from then on I could not get enough climbing.

Despite living in the heart of Zululand and further from the 'Berg than people in Gauteng, I made trip after trip to the Drakensberg. But now the object was not a trout stream, a mountain pass or a hiking trail, it was climbing routes. I began to 'tick off' routes at such a rate that I was sometimes called 'Tickem' instead of Peckham! During my fiftieth year, after just seven years of climbing, I had climbed almost a hundred different Drakensberg routes on more than fifty different peaks. These included more than twenty new routes of which nine were on previously unclimbed peaks – a feat unmatched in 'Berg climbing.

I was always attracted by unclimbed rock and generally felt that I'd rather climb a shabby route I hadn't done before, rather than reclimb a good route for the umpteenth time. As a result of this approach, I was involved in opening more than 300 routes on crags around the country and overseas. My favourite crags are at the White Umfolozi, Shongweni and the sea cliffs at Morgan Bay. The White Umfolozi was the closest venue to my home and in the space of barely five years I and my 'recruits' turned the Umfolozi from an insignificant venue into the second largest climbing venue in KZN. With the aid of Derek Marshall, I then did a similar thing at Morgan Bay in the Eastern Cape.

For well over a decade I was a regular contributor to the MCSA newsletters and Journal as well as a member of the mountain rescue team and regular leader of climbing meets. I rewrote, corrected and updated the rock climbing route guide for the Drakensberg, published comprehensive route guides to rock climbing at the White Umfolozi and Eagle Mountain (OFS) as well as producing extensive on-line climbing route guides. As a result of this level of commitment I was awarded Life Membership of the Mountain Club of SA.

At the crags I was instantly recognisable by the black shorts and khaki shirt that I habitually wore. I am the first to admit that my climbing skills are extremely modest. I never climbed beyond grade 21 and felt uncomfortable on anything over grade 18. I attribute my achievements, such as they may be, to enthusiasm and persistence rather than ability, and also to my long suffering climbing partners whom I regularly dragged out into the wilderness. Stories about my climbing epics, both serious and humorous, are legion but a limitation of space prevents recounting them here.

In my mid 50s, after a decade of climbing, I took up kayaking under the mentorship of my good friend Anthony van Tonder. Six months after sitting in a canoe for the first time I completed the epic 'Dusi Canoe Marathon and then went on to complete every other major canoe race in the province. I maintained this frenzy of canoeing for four years before giving it up and settling down to continue

researching the genealogy of the Peckham family in South Africa and the history of the village of York, KZN where the first Peckhams settled on their arrival in 1861.

I am fascinated by anything relating to my immediate natural environment and have accumulated an extensive layman's knowledge of KwaZulu-Natal – its flora, fauna, geology, climatology and history. I have been married to my varsity sweetheart, Barbara Adcock, for nearly 50 years. She is a saint on loan from heaven and one with the patience of Job. She has held me on a very long leash and has not only supported, but has actively encouraged my many interests and activities over the years. I owe her more than words can ever say.

Parents: Gavin Douglas PECKHAM and Barbara ADCOCK

Born: 19 Nov 1981, Greys Hospital, Pietermaritzburg

Died:

Married: Did not marry.

Other Information:

An interesting point to note about my place of birth is that by brother was born in the same hospital, in the same ward, in adjacent rooms, one and a half years before me.

I went to school at St Catherine's High School in Empangeni, Zululand from pre-school (about 1983) to Matric (1999)- the same school which my mother Barbara Peckham (nee Adcock) is a teacher at and has been for the past 25 years.

From there I went to the University of Natal, Pietermaritzburg and I've completed a 3 year Bachelor of Commerce degree, with Business Information Systems (computers) and Human Resource Management as my 2 majors. I have returned to university to complete my 4th year, doing a PGCE (Post-Graduate Certificate in Education). I am taking Technology, Computer Science and EMS (Economic Management Science) as my 3 specialisations. During the holidays from university I am in the process of completing a 2nd level secretarial diploma at Working World College in Empangeni. I have also recently started up a side-business, to earn a little extra pocket money, where I give extra lessons in Accountancy to students who are struggling in the subject.

Our family lived in Mtunzini for about 20 years and then at the end of 1994 we planned to emigrate to New Zealand. This fell through and we ended up moving to Empangeni in about Jan of 1995 since we had already sold our house in Mtunzini. We are currently living in Empangeni and have been doing so for 8 years.

We have numerous animals listed as follows:

7 cats - Flash, Timothy, Oscar, Ricky, Molly, Fluffy and Flash - Flash is mine, and she is a black and white pavement special. We also have 2 rats, fish and zebra finches, that my mom keeps at school.

Parents: Noelle Margaret LITTLE and Douglas Fairbairn PECKHAM

Born: 17 Oct 1951, Greys Hospital, Pietermaritzburg. Baptised on 29 June 1952 at St Patricks, PMBurg. Twin sister of Patricia Margaret PECKHAM. The family was living at 251 Greyling Street PMBurg at this time.

Died:

Married: Gavin Lloyd REED at St John's School chapel, Pietermaritzburg on 17 July 1971.

Children: (1) Carrene Bridget REED (2) D ebra Lynne REED (3) Michael Owen REED

Other Information: On 06 June 2021, Lynne sent me the following brief autobiography:

I was born in Pietermaritzburg, the second twin, 10 minutes after my sister. Still not sure whether we are identical or not. We lived in Greyling Street, PMBurg for about 18 months before moving out to a 20 acre small holding in Bishopstowe about 10 km from the PMBurg town centre. We lived there for about seven years during which time I attended St John's Diocesan school until standard three [grade 5]. In 1961 my Dad got a new job with Comec Mimosa Extract Company and our family moved to the factory village of Schroders. I attended Wartburg School up to Matric [grade 12].

After I left school I attended the Natal Teachers' Training College in Pietermaritzburg where I qualified for a Primary School Diploma of Education. Towards the end of my studies I met and married my husband, Gavin REED. We had three children and moved around a lot during the first 20 years of married life. Some of the places we lived in were Nagle Dam, Underberg, Nottingham Road, Thornville and Camperdown. During this time I taught at the following schools: Stellawood Primary, Durban (2 years); Pelham Primary, Pietermaritzburg (1 year); Hillcrest Primary (18 months); Underberg Primary (1 year); Mooi River Primary (1 year); Camperdown Primary (10 years).

At last we 'settled' at Tweedie in the Howick area and I taught at Howick Preparatory School for the next 26 years. About 20 years ago I got hooked on golf and have played as often as possible ever since. After the sawmill, in which my husband had been employed, was closed down, we made a short move to Merrivale and I retired from teaching. We are looking forward to our 50th wedding anniversary next month.

Parents: Gavin Douglas PECKHAM and Barbara ADCOCK

Born: 29 May 1980, Greys Hospital, Pietermaritzburg.

Died:

Married: Lawria DANNHAUSER on 13 Dec 2003 in Pretoria

Children: None

Other Information: Neil was a delightful, problem free and exceptionally talented youngster who excelled at almost anything he tried, from music to karate. Neil achieved his brown belt in karate in record time and grade 8 on the piano with the Royal College of Music. He played the trumpet in the Empangeni High School marching band – which twice won an award for the best school band in South Africa. Neil was a member of the Natal Youth Choir which toured through Europe, winning several awards. Apart from that he was excellent on the organ and competent with a guitar and violin.

After obtaining 6 distinctions in Matric, Neil attended the University of Natal in Pietermaritzburg where he obtained a B Com and a B Com Honours in Accounting. He then served three years articles with Deloitte's in Richard's Bay during which time he passed both the Board exams and will become a fully-fledged chartered accountant at the end of 2004. During his first year at University he met Lawria DANNHAUSER who was majoring in Physics and Computer Science. They became engaged and then married about five years after first meeting. During their engagement and after their marriage, Neil lived with his parents in Empangeni whilst doing his articles with Deloittes in Richards Bay. At the same time, Lawria lived with her parents in Pretoria but I can't remember where she was working at the time. The couple would take it in turns to fly up and spend the weekends together. One week Neil would fly to Pretoria, the next week Lawria would fly to Richards Bay!

Fortunately, Neil's maternal grandparents were both born in England and so he qualified for an ancestral visa to the UK. Three months before his articles were completed in 2005, Neil was seconded to Deloittes, London for three months to gain overseas experience. Due to his ancestral visa, the couple moved to London together, with Lawria being admitted as a 'dependent'. Neil did so well that Deloittes, London made him a job offer before his three months was up and the couple have lived in London ever since. They bought a flat in Leyton, a suburb in the north east outskirts of London. Neil did spectacularly well with Deloittes but this simply resulted in him being put under ever greater pressures at work. Sadly, this culminated in a traumatic mental breakdown from which he has never fully recovered. He also developed chronic lymphedema in his legs, which swelled up

and developed ulcerating sores that severely restricted his mobility. A pretty sad state of affairs. His wife Lawria has been an absolute star, standing by Neil through thick and thin. We deeply appreciate her commitment to our son whose light once shone so brightly.

Lawria is keen for her parents to leave South Africa and live closer to their daughters. Apparently, there is no way to get Lawria's parents into the UK, but the regulations in Ireland make this possible. As a result, the couple are currently (2023) in the process of selling up in London and moving to Dublin.

(3) About 67

Parents: Noelle Margaret LITTLE and Douglas Fairbairn PECKHAM

Born: 17 Oct 1951, Grey's Hospital, Pietermaritzburg. Baptised on 29 June 1952 at St Patricks, PMBurg. Twin sister of Lynne Noelle PECKHAM. The family was living at 251 Greyling Street PMBurg at this time.

Died:

Married: Pat did not marry or have any children.

Other Information: Pat Peckham was born in Pietermaritzburg in 17 Oct 1951, the elder of twins. At the time the family lived on a 20 acre small holding near Pietermaritzburg. Pat and Lynne attended school at St John's in Pietermaritzburg until 1959 when the family moved to the tiny factory village of Schroeders near Wartburg. They completed their schooling at Wartburg Kirchdorf School in 1968. Pat and Lynne were the first pupils to be awarded Full Colours for swimming at Wartburg.

Pat attended Natal Training college from 1969 to 1971, where she qualified as a teacher in Mathematics. In 1978 she completed UNISA courses in Mathematics 1, Psychology 1, 2 & 3, Economics 1 and Computer Sudies 1. She also attained a Higher Diploma in Education and a Further Diploma in Computer Studies.

Her teaching career began at Port Shepstone High in 1972 at the tender age of 20. In 1975 she was transferred to Westville Girls' High and then to Kloof High in 1976 where she spent 26 years teaching Mathematics and Computer Studies. In 2002 she took a post at Wembley College and left in 2005. In 2006 she taught as a locum at St Anne's and the Wykham Collegiate in Pietermaritzburg. In 2007 she returned to Wembley College. In 2015 she earned the Outstanding Cambridge Teacher Award for gaining the highest mark internationally for Cambridge IGCSE Mathematics.

While training to be a teacher, Pat joined the Boy Scout Movement and served as an assistant in the 9th Cub Pack in Pietermaritzburg. She then ran Ist Port Shepsone Pack for three years and 52nd Stella Pack in Durban for eight years. She also assisted in the 28th Frere Rd Pack and 1st Kloof pack for a further seven years. During this time she gained her Woodbadge Certificate and was awarded a medal for long service.

Pat met fellow scouter Peter Venter in 1977, which started a relationship that spanned 26 years. They fly fished in the rivers near Pilgrims Rest, the dam at Saddle and Trout and the river at Bushmans nek and never did Peter catch a trout! Lots of trees and bushes but never the elusive trout! He sadly died of leukemia in 2003.

Scouts gave way to a very time- consuming extra-curricular activity at Kloof High – Drum Majorettes! Blood, sweat and tears! The final outcome of 6 days a week training for three years was the squad qualifying for South African Championships in Bloemfontein. (Only the top 2 of the 10 Kwa Zulu Natal squads could qualify). This activity petered out because of the huge expenses involved.

In 1989, Pat, who had always had a love for animals, especially dogs, started obedience classes and competed in obedience competitions with her then GSP cross, Bonnie and later with her border Collie, Tips. This evolved into agility, tracking and companion dog competitions and many a cold winter morning was spent tracking through rough bush and elephant grass at various venues around Kwa Zulu Natal, most often at the rifle range and gliding club in Howick.

In 1998 at the ripe old age of 47, Pat was invited by Peter to go on a scuba diving trip to Madagascar with some of his scouting friends, so, not to be left out of the fun, she embarked on a course in scuba diving and gained a 1 star rating to be able to dive the beautiful coast of Madagascar. This was a memorable trip of scuba diving and snorkeling amongst other varied activities. Having nearly been drowned when younger by some hooligans in the local pool at Schroeders, Pat was a very nervous diver and her air never lasted too long when she was under the water and was never very far from a panic attack while diving. But, she did it and ticked another activity off her list. Needless to say, the wetsuit was sold soon after returning from the trip.

Wembley College in Greytown, KZN, adjoins a golf club so it was only time before Pat rekindled her interest in golf which she originally started playing in 1972 but gave up because of expense and other activities already mentioned. Since 2004, she played annually in the KZN Interclub Championships, only skipping 2020 due to Covid. Her handicap has ranged from 14 to 26.

Whilst teaching at Wembley, Pat resided in a farmhouse on the outskirts of Greytown. She retired from teaching at the end of 2022, at the age of 71 after 51 years of teaching. She then moved to her house in Merrivale, KZN, which she shares with her twin, Lynne and Lynne's husband Gavin.

I was born on 24 July 1976 in Pietermaritzburg. I know we moved a lot but I know mom and dad were living in Merrivale Heights at the time. I remember bits of early life. A concrete swimming pool at Nagel dam. When I became too big to stay at home I was sent to Mrs Squires Pre School, at the Methodist Church grounds in Camperdown. I was lucky enough to only have Camperdown Primary as my primary school education regardless of how many times Rainbow chicken made dad move around. My High School career was spent at Carter High School. After school I studied Horticulture at Durban Technikon, Berea campus. After that I went to the Netherlands to be an aupair. Like the horticulture, this was also not what I had envisioned. Luckily Aunty Tricia Rindlisbacher had a need for someone to help her get to treatments, so my time in Europe did not go to waste. I got to know people that were family that I had never spent enough time with. After that I came back [to SA], joined a security company and became an A grade security officer where I learned how to deal with high pressure situations and upset people. In 2001 I met my now husband Phillip Gent. In 2006 we got married and I changed career track. I started working at a Pizza Joint. We coasted along until I changed jobs in 2009 when I started working for a Point Of Sale software company and was quickly moved to management. In 2018 we went on holiday to Scotland - and fell in love [with the country] and now, today as I write, we are immigrating to the UK to try and live better lives.

I have owned and looked after three furry mammals, two dogs and a cat. All have been precious as hell and have broken my heart. The cat is still around and will be hopefully joining us in the UK. If you want to read more about me and my feelings https://moggy1976.wordpress.com/

REASONABLE POSSIBILITY

TUNNICLIFFE, Elizabeth (MH17-L7J) baptised 1836 **may** be the same as 'our' Elizabeth TUNNICLIFFE (G74M-JHX) who was born about 1835 and who married David LITTLE in PMBurg in 1855..

(MH17-L7J) was baptised 28 Feb 1836 at St Michael & All Angels, **Colwich**, Staffordshire, England and her parents were Henry and Maria TUNNICLIFFE. (MH17-L7J) is listed in the 1851 census as a 15 year old servant with the Croydon family at **Penkridge**, which is very close to her birth place which is given in the 1851 census as **Haywood**, Staffordshire. These details (bapt & census) are on FamilySearch but the actual documents are not accessible.

Colwich and Little Haywood are virtually one village. Penkridge is just a mile or two away. All three villages are clustered close together just north of Birmingham.

On the down side, the death notice of 'our' E.T. is dated 16 Dec 1888 and gives her age as 54. Thus her year of birth is assumed to be 1834, or 1835 if she died a month or two short of 54. Assuming that the stated age is correct, then this 1834/5 date of birth is a little too early for the 1836 baptism of (MH17-L7J) – unless, of course, (MH17-L7J) was already about a year old when baptised.

Also on the down side, if she (MH17-L7J) was born in 1836, and was 15 in 1851, then it means that in order for her to also be 'our' E.T. she would have had to leave England after the 1851 census and travel to SA, as a young girl, where she would have been just 19 when she married David LITTLE in PMBurg in 1855.

There is some indirect evidence for this. First, sticking strictly to the name "Elizabeth Tunnicliffe", with birth dates between 1833 and 1836 in England, FamSearch only gave two such births/baptisms. One of them appears regularly in each successive English census, but this one (MH17-L7J), only appears in the baptism record and the 1851 census – so, she either died or left the country not too long after the age of 15.

Further evidence to support her 'candidacy' would be to find her name on a relevant passenger list somewhere between 1851 and 1855 or more likely between 1852 and 1854. So far I have failed to find any such record but my search has been far from comprehensive.

Also, there are records for several other birth/baptisms in the date range 1833 and 1836 which have slight variations on the spelling of Tunnicliffe. These are also possible candidates for 'our' E.T. but not as probable as (MH17-L7J). Overall, I think that the case for (MH17-L7J) being 'our' E.T. (G74M-JHX) is somewhat more than 50-50.

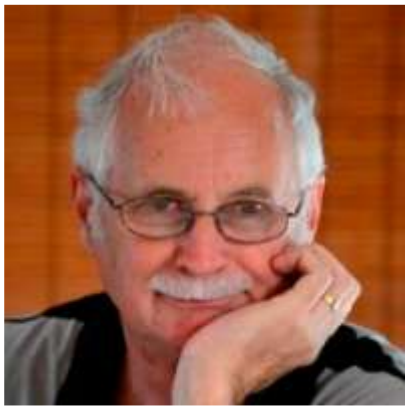
WALKER, Richard Thomas (ka Rick)

Last updated: 12 Feb 2023



Parents: Raymond Robert WALKER and Erica SANDERSON

Born: 28 Jun 1948 in Woburn, Bedfordshire, England

Died:

Married: Rosemary Anne WALLIS on 01 July 1972 in Bulawayo, Rhodesia.

Children: (1) Stacy Lynn WALKER

Other Information: From a document sent to me by Rick Walker himself, I have the following information:

Rick attended nursery school in Kasama, in north eastern Zambia. Richard appeared the Zambian national census from 1949 to about 1955 whilst residing in Kasama.

On 16 July 1954, Richard, together with his father, mother and brother Anthony, disembarked at Southampton, England - Richard's father was on long leave.

Rick was educated at Whitestone School, Bulawayo, Rhodesia from 1958 to 1961 and at Peterhouse Boys' School, Marondera, Rhodesia 1962 to 1966. He was also known as "Johnny Walker" (after the well-known whisky brand) from 1962 to 1966 when at Peterhouse.

Rick was in training at British South African Police Training Depot, Rhodesia (known as Morris Depot) from about 15 Oct 1968 to May 1969. Rick joined the Dog Section of the BSA Police about 1969 and was allocated a beautiful Police Dog 'ROC'. After training in Salisbury he was posted to Bulawayo where he resided in the Police Camp. He only spent about a year in the dog section before leaving and being posted to Western Commonage Police Station in Bulawayo.

Here, Rick started off in charge office as a Patrol Officer and then moved to investigations section investigating all types of crimes from petty theft to murders.

Rick was promoted to the rank of Section Officer in the BSA Police in about 1973 and was posted to Bulawayo Central Police Station as a Section Officer in the Charge Office about 1974. He was posted to in Rusambo, Rhodesia about 1974 on a 2 month posting to assist Special Branch. He was a Section Officer in the BSA Police stationed at the at Police Camp in Chiredzi, Zimbabwe from about Jun 1975 to 1978. Rick was doing duty at Vila Zalazar, Rhodesia on 12 Jan 1977 when he witnessed Canberra R2514 of 5 Squadron Rhodesian Air Force shot down by enemy (FRELIMO troops) fire whilst operating over Mozambique. It crashed and the three crew members were killed. More details of the incident:

On the 3 Oct 1979, whilst posted to Chiredzi, I was doing duty for a number of weeks at what was then called Villa Salazaar. At that time Rhodesian Security Forces were carrying out Op Miracle on

Chimoio east of Villa Salazaar and so Frelimo forces in Mozambique were on edge. Rhodesian forces at Villa Salazaar with me at that time were a few African Constables and a troop of about 6 to 8 Territorials armed with mortars. There was fairly low cloud cover on that day. Suddenly we heard the sound of a jet aircraft and looking upwards we saw a Canberra break through the cloud base and fly very low over us. We were not expecting any aircraft activity in our area as Op Miracle was some distance away. I assumed that perhaps the aircraft was coming below the cloud base to find out where he was. We had no means of communicating with the aircraft.

Unfortunately the aircraft turned south east and flew directly over Malvernia, the village just over the border. A few moments later we heard the sound of rapid anti-aircraft fire and one of the Territorials said he could see smoke and we could only conclude that the aircraft had been shot down. There was nothing that we could do but radio our base and report the incident.

Rick appeared in Rhodesian censuses from 1973 to 1975, residing in 24 Innes Road, Romney Park, Bulawayo. Our first residence, in Bulawayo was a double story, three bedroom, one bathroom house.

Later, on about 9 Jan 1979 he immigrated to England, together with his wife and daughter, aboard the ship SS Calypso.

In England, he appeared in the 1981 census residing at 39 North 11th Saint in Central Milton Keynes, Buckinghamshire, England.

He completed a course as an Electronic Test Technician from 14 Oct 1981 to 2 Jul 1982 at the Acton Technical College, Acton High Street, London, England.

[Okay, the next bit is copied 'as is' – I'll get back to making it read better in due course.]

He appeared as head of the household in the from about 16 Aug 1982 to 1983 census residing in 29 Louw Saint, Paul Krugersoord, Springs, South Africa. Rick wasemployed as a Test Technician at Tmsa, Springs, South Africa (at Telephone Maufacturers Of South Africa) from about 17 Aug 1982 to 1993 He appeared as head of the household in the from about 1983 to 1992 census residing in 21 Louw Street, Paul Krugersoord, Springs, South Africa. He lived in our house at 25 in Waterval Road, Selcourt, Springs, South Africa from about 1993 to 1995. WILSON-BLACKIE, Beatrice (ka Dolly) (GH36-LC7)

Last updated: 10 June 2021

(1) Taken in 1910 when she would have been 20 - which looks about right. The photo is inscribed, "With love, From your affectionate sister, Doll. Aug 26th '10". I am **presuming** from this that the photo is of "Doll " herself.

(2) Taken with her baby, Noelle Margaret LITTLE, in 1929 aged about 39

(3) Taken with her daughter, Noelle Margaret LITTLE, in 1930 aged about 40

Parents: Arthur WILSON and Margaret ANDERSON. The couple had three children; Margaret Ethel; Beatrice and Frederick Tomas - see the BLACKIE family tree. After divorcing Arthur WILSON, Margaret ANDERSON then married for a second time – to George Vincent BLACKIE who adopted his wife's three children from her previous marriage, including Beatrice. So, Beatrice WILSON became known as Beatrice BLACKIE or Beatrice WILSON-BLACKIE.

Born: 18 Dec 1893 Ladysmith, Natal - the same day of the year as her daughter.

Died: 04 Feb 1938, at the Sanatorium in Durban of heart failure, aged about 44 years, 1 month. Beatrice is buried in the Stellawood Cemetery, Durban. CoD was erysipelas of the face with resulting toxemia. This is a bacterial infection of the skin's outer layers.

Married: Wilfred Thomas LITTLE on 08 June 1922 at St Paul's Cathedral in Durban. He was 26 and a dairy farmer from 'Valhalla', Warner Beach, Natal. She was 31 and a clerk from Rosetta Hotel at Rosetta, Natal where her adoptive father was the proprietor at the time. Their marriage certificate is on her husband's page.

Children: (1) Noelle Margaret LITTLE.

Other Information: With her husband and daughter, they lived at Winkelspruit on the Natal South Coast on a farm called "The Dairy". Her husband leased a store and tearoom called "The Little Store" from "Granny and Grandpa BLACKIE" - i.e. George Vincent BLACKIE (senior) and his wife, Margaret BLACKIE, nee GRAY, then WILSON, then BLACKIE! They refused to renew the lease after Wilfred married his second wife.

At the time of her death, her adoptive parents, George Vincent BLACKIE and Margaret BLACKIE (nee GRAY) were still alive and living at 150 Vause Road, Durban.

Her death notices are on the next pages.
